

c) REMARKS

The claims are 23-26 with claims 23 and 24 being independent. Claims 25 and 26 were amended to correct a typographical error. Reconsideration of the claims is respectfully requested.

SUMMARY OF INTERVIEW

The Examiner in charge of the subject application contacted the undersigned on September 10, 2004 to advise that in claims 25 and 26 the Compound No. 1-10 was recited, but the chemical structure recited was for Compound 1-11.

To correct that typographical error, claims 25 and 26 have been amended to recite the correct structure for Compound No. 1-10 in which the methyl groups on two phenyl rings are in the meta-, not ortho- positions. See page 19, under headings AR<sub>1,2</sub> and AR<sub>1,3</sub> for Compound No. 1-10.

This response replies to the Office Action of September 9, 2004 requesting clarification of claims 25 and 26.

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,
